## CHILDREN'S *hunger fund*

This summer, one of our team members had the opportunity to pack Food Paks for the Children's Hunger Fund during a camp their kids attended. The Children's Hunger Fund website states, "For some children, the Food Pak is their only food source outside of school meal programs."

It was disheartening to learn that an estimated 2.9 million children in the US face food insecurities. It is hard to comprehend that kids in our neighborhoods will go without proper meals due to financial constraints.

Consider making a difference in the lives of children near you by donating \$20, which can provide 80 children with a meal. If you want to learn more and contribute, visit [childrenshungerfund.org](https://childrenshungerfund.org).
