## Minnie's Food Pantry

Minnie's Food Pantry is a non-profit organization that serves nearly 150,000 each year. They are able to serve and meet the needs of families in need thanks to volunteers and generous donations. According to their website, "Minnie's Food Pantry was named after Dr. Minnie Hawthorne-Ewing who was a community leader with a servant's heart.

With 12 locations in three states, Minnie's Food Pantry has provided over 21 million healthy meals to families in need. Guide Star Charity evaluators has given Minnie's Food Pantry the platinum star rating which is the highest level of possible achievement."

Along with providing food, Minnie's Food Pantry also provides "Birthday Bags" as no one should miss a chance to celebrate their birthday. This includes cake mix, icing, candles, a birthday card, plates, napkins and utensils. They also hand out toiletry bags filled with shampoo, conditioner, body wash, a toothbrush, toothpaste, and deodorant. This provides people the things needed to ensure their basic hygiene needs are met. Confide Research was happy to help provide both of these things.
